## PROJECTS

**E-commerce Website**      [open](#)      [code](#)

( Crafted with expertise in **HTML** ,**CSS** and **JAVASCRIPT** this dynamic and responsive frontend website seamlessly incorporates captivating animations and smooth transitions. It not only provides an immersive online shopping experience but also facilitates the purchase of a wide range of products, including trendy clothing items. )

**Food Store**      [open](#)      [code](#)

(I've crafted a fully responsive website, leveraging the power of **HTML**, **CSS**, and a touch of **JavaScript** to create an engaging and dynamic user experience. The primary focus of my work has been on the frontend development, ensuring a seamless interface for users. Through the strategic application of animations, I've brought elements of the website to life, enhancing its visual appeal. The website serves as a platform to showcase and manage the menu of a food store, integrating intuitive navigation and visually appealing layouts.)
